

WOLFE

The world has changed but our commitment has not.

These are unprecedented times. We're all dealing with disruptions in our lives, our work and our communities.

At Wolfe, our dedication to the safety and wellbeing of our employees and our customers remains unchanged. We are here for you.

We know you can't just stop your business. We know you can't wait until this is over to get back to work. This is your busy season.

That's why we're staying open. We're doing our best to provide you with uninterrupted service. Whether you need a part or a new machine, we are here to help. We've got your back.

We're in this together. As neighbours we've faced challenging times together before. We'll get through this too.

Let us know how we can help.
